

Business Agent Ken Bergen's Report

April 2020

Contracts in negotiations: Andover Housing Authority, Groveland Highway, Groveland Water & Sewer, Hudson RPM, Northbridge Instructional Classroom Assistants, West Boylston Cemetery & DPW, West Newbury Police and Wachusett Regional School District.

Contract negotiations beginning soon: Advanced Math & Science Academy, Douglas Cafeteria, Douglas Custodians, MV Transportation and Wayland DPW.

As a result of the public policies initiated due to the Coronavirus outbreak, the negotiation process has slowed. Some negotiations have been postponed and rescheduled or alternative means of conducting both negotiations and other meetings have been attempted and initiated. Dates for further negotiations are being scheduled.

Respectfully submitted,

Business Agent Ken Bergen
