

Organizer Shawn Stevens' Report

June 2020

I have been keeping in contact and reaching out to potential members by Facebook, texting and telephone. I am hoping the State will fully open soon to give us full access to properties and buildings so we can hold meetings with these employees to discuss how we can help in the workplace. Many employees are afraid to meet with anyone now due to the fear of COVID-19. You can only do so much over the phone and people want to meet you in person. The more you talk to people in person the more they can trust you and they can see you're on the level about what the Teamsters can do for them. We have some of the best Business Agents who are doing a tremendous job on negotiating contracts and fighting for our members. I would like to thank our Principal Officer Shannon George for his continued support.

If anyone has any organizing leads, please reach out to us.

Thank you.

Respectfully submitted,

Organizer Shawn Stevens
