**Organizer's Report**  
**January 3, 2021**

I hope everyone had a Merry Christmas and that you and your families are staying healthy and safe.

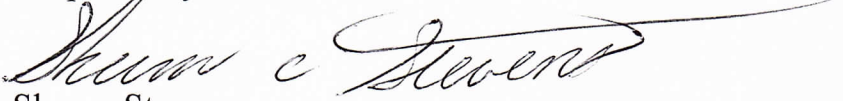

I have been following up on the leads that were given to me a few months ago, along with new leads that were provided to me by some of our members. Hopefully, these leads can turn into something great for the Local. Members, as you know, are a very important part of organizing because they can talk to other people and tell them that when you join the Teamsters Union it allows you to have a voice in how you are treated at work, and what it means to be a part of the Teamster Family! Remember, if you have any leads, please feel free to contact me directly or any one of us at Local 170 via phone or email; all calls are confidential!

During the month of December, I attended a proposal meeting with Business Agent Jim Marks for our new members from the Gardner Animal Control. I am sure Business Agent Jim Marks will do a great job for this group.

As always, I want to thank our Principal Officer Shannon George for his continued support, the Business Agents for the great job they do, as well as the office staff.

In closing, I wish you and your families a Happy New Year!

Respectfully submitted,

  
Shawn Stevens
